MAKE THE MOST OF 'WAISTED SPACE'

New Outdoor Products Trailhead Waist Pack™ Helps You Pack Smart

Whether you're out for a run or a hike with friends, trekking overseas or just through the mall, the new Outdoor Products Trailhead Waist Pack™ lets you carry the essentials along with you in safety and security. This rugged, lightweight contoured storage system fits like your favorite belt, and its clever design lets you organize your important items and keep them right where you need them — easy to grab while on the go.

It has a low profile — yet is a roomy 370 cubic inches — so you'll hardly even know it's there, but will be able to concentrate on your adventure without worrying about losing your gear. A large main pocket features a handy organizer and key hook, and even has a removable cell phone pouch. Plus, the new Outdoor Products Trailhead Waist Pack has a clever, ultra-soft padded middle section, perfect for safely protecting and storing your glasses so they won't get scratched.

Its designed for the ultimate in security and convenience, with a unique, deluxe padded back section with a secret hidden pocket to store your cash, identification, passports and other valuables. In addition, it has two other accessory pockets, so you can load it with key items like chapstick, sunblock, a camera, and even your MP3 player, all right where you can find them in seconds with no fumbling around.

Outdoor Products has been enhancing enthusiasts' travel and recreation experiences with superior designs in packs and bags since 1973, and this high performance new waist pack keeps that legacy alive. Now you don't need to wear cargo pants with pockets bulging with your belongings — pack up the Outdoor Products Trailhead Waist Pack and get in gear! It comes in vibrant black, yellow, red or blue, so it can fit any preference and nearly any activity.
