BUCK WEAR'S TRENDY NEW SHIRT ENCOURAGES HUNTERS TO TAKE THEIR GAME TO A 'MEDIEVAL' LEVEL

Over the years, Buck Wear has earned its reputation as a company who 'takes it to the next level' — with a line of apparel that combines its passion for the outdoors with the fashion-forward designs of today. Now, the company is encouraging hunters to take their game to the next level and 'get medieval' with the edgy new-for-2010 "Get Medieval" T-Shirt.

Fighting dragons and rescuing damsels in distress is mere child's play for the wearer of this stylish brown-colored T-Shirt. It displays Buck Wear's original detailed artwork both front and back, encapsulating a dark, 'medieval' hunting design that's current with today's contemporary fashion trends. The shirts incredibly detailed illustration blends tree-mounted skulls with swords from the round table — making it the perfect modern apparel item to showcase your devotion for the great outdoors, even when spending the day in. On the back of the shirt, the message "Get Medieval" is stamped across the shoulder blades, further encouraging an epic battle between hunters and their prey.

The new Buck Wear "Get Medieval" T-Shirt (Model #2429) is constructed of 100% heavyweight pre-shrunk cotton, and is offered in a wide range of adult sizes from M to XXL to ensure a perfect fit for enthusiasts of all sizes.
