SHOW THE WORLD YOU'D HUNT IT ALL WITH THE NEW BUCK WEAR 'DIVERSITY' SHIRT

New Hunting Lifestyle Shirt Illustrates No Animal Gets Left Behind

Elk or buck, tom or duck — whatever your game of choice, you can showcase your passion for the hunt (and your sense of humor) with the world by sporting the new Buck Wear 'Diversity' Shirt (Model #1204). The Buck Wear 'Diversity' shirt is the latest addition to the company's slew of hilarious shirt designs that blend playful, bold statements with motivational illustrations that encourage onlookers to grab their gun and get out into the field.

Avid hunters will truly connect with the trophy wall illustrated on the back of this stylish Charcoal-colored shirt. Its detailed artwork includes mounts from every season of game — ensuring no animal gets left behind or 'discriminated' against in the wearer's pursuit. Which is why the comical scene is brought full-circle with the clever slogan splashed across the bottom center: "DIVERSITY, I don't discriminate, I hunt EVERYTHING!"

Like all Buck Wear designs, the clever shirt is constructed of 100% pre-shrunk cotton and is a product of the company's high-quality screen printing process that provides an incredibly long life through wears and washes and seasons of sporting your love for the hunt. The new Buck Wear Diversity shirt is offered in a wide range of adult sizes from M to XXL to ensure a proper fit for all hunting and outdoor enthusiasts. Buck Wear's clothing is sold through top hunting, fishing and outdoor sports retailers nationwide, and can also be purchased online at www.buckwear.com.
