The most recent addition to Body Glove's sleek new Utility Sport Collection, the Body Glove Multi-Sport Duffels are the ultimate in stylish high-quality gear, working hard and looking cool in virtually any setting.

An impressive array of handy features meets the standards of even the most active and demanding sports enthusiasts. Storage is adaptable and secure thanks to two front accessory pockets with zipper closures; a side pocket with zipper closure; a rear stash pocket with Velcro fasteners; and an exterior elastic mesh quick-stash pouch that allows for a speedy and easy reach of your board wax, smart phone, MP3 player or sunscreen.

Neoprene wrap handles ensure a comfortable grip, while detachable and adjustable shoulder straps make it a breeze to carry gear from the car to the kayak or the plane to the sea.
