BUCK WEAR TURNS HEADS WITH ITS NEWEST KILLER THREADS

Introducing The New Buck Wear ‘Fear No Deer’ Camo 2-Fer

Hardcore hunters look for gear that’s as rough and tough as their pursuit for game. And, Buck Wear, Inc., creators of quality sportswear for the avid outdoorsman, has just the piece for these serious hunters who make ‘No Excuses – Just Trophies,’ with its newest model ‘Fear No Deer’ Adult Camo 2-Fer (Model #1919).

Hunters of every caliber will enjoy sporting the cutting-edge style, incredible fit and lasting comfort that Buck Wear has so ingeniously incorporated into the ‘Fear No Deer’ Adult Camo 2-Fer. The fashionable, yet functional shirt incorporates the trendy ‘dual-layer’ look that features a black short sleeved t-shirt overlay, with a Realtree™ Camo long-sleeve sewn in underneath — keeping hunters looking cool, even when the Mother Nature takes it down a few degrees.

And if your hunting pals don’t understand just how intrepid of a hunter you really are, this shirt’s dangerous and hardcore illustration will tell your story. Its ‘fearlessly’ detailed artwork incorporates a buck rearing its angry antlers amidst a winged skull and other creative dark design elements. With “Fear No Deer” splashed across the front, and the phrase ‘No-excuses — Just Trophies’ weaved into the design, there’s no question that the wearer of this trendy piece is passionate about his pursuit.

Made from 100% heavyweight cotton, Buck Wear’s “Fear No Deer” Adult Camo 2-Fer (Model #1919) is available in a full range of adult sizes from M to XXL to accommodate outdoor enthusiasts of all sizes. Buck Wear’s commitment to quality is unparalleled through its premier screen-printing processes that ensures its gear stays vibrant, even after repeated trips through the wash.
