## **TRAVEL IN STYLE WITH THE NEW BODY GLOVE® ADVENTURE SHOWER BAG**

### **From Storage Capacity to Durability, the Beauty of This New Toiletry Bag Goes On and On**

Whether you're packing for a surfing adventure in Costa Rica, hitting the gym or planning a weekend trip to the lake, the new Body Glove® Adventure Shower Bag is the perfect travel essential, because it packs in not only plenty of storage, but also lots of style.

The new Body Glove Adventure Shower Bag keeps all your toiletries handy and in their place, from shampoos that slip neatly into the bag's multiple container holders to toothpaste and a toothbrush, which have their own zippered detachable pouch.

A roomy main compartment and wide slot pocket with zipper closure stores hairbrushes, cosmetics and shaving essentials, while a removable travel mirror lets you check your appearance at the RV dining table or anywhere on the go.

The beauty of the new Body Glove Adventure Shower Bag is its versatility and durability. A metal door hanger with stow pocket takes the bag from car to airport to your destination, where you can hang the bag on a chair, towel rack or door, keeping it out of the way yet accessible.

You can be sure this indispensable bag will serve you for years to come, thanks to its high-quality materials and heavy-duty construction, designed to take a beating and still look – and function – beautifully. The new Body Glove Adventure Shower Bag is as stylish as it is durable, compact yet ultra-functional with a sleek profile and choice of colors: blue/gray, fuchsia/gray and black.

Along with your new Body Glove PR1ME wetsuit, VaporSkin boardshorts, snorkel and diving gear for the islands, be sure to take along the new Body Glove Adventure Shower Bag, full of ingenious and practical features to make your travels that much more fun, organized and worry free.
