New Buck Wear 'Tribal Rack' Long Sleeve Re-defines 'Cool' While Keeping You Warm

The forward thinking trendsetters at Buck Wear have further extended their line of urban casual wear that combines extreme passion for the outdoors and ultra-hip designs for hardcore hunters with the introduction of its new 'Tribal Rack' Long-Sleeve (Model #3303). Now, Buck Wear is motivating hunters to up the ante and take their obsession to the streets with the new 'Tribal Rack' long-sleeve shirt.

With a glaring 10-point White-Tail buck displayed front and center, this powerful long-sleeve shirt shows exactly why this elusive animal is the ultimate trophy – it is large and in charge! This solid black long-sleeve shirt bears the Buck Wear logo, centered above and between the antler spread, and features a profound antler-fashioned tribal design that fully encapsulates the dynamic deer head. Along the sleeve of the left arm, the tribal pattern continues, giving the shirt additional flash and flare that only the innovators at Buck Wear could so flawlessly design. And just like a timeless tattoo, buck hunters will sport this trend-setting tribal long-sleeve with pride day-in and day-out, exhibiting fervor and feeling for tracking down nature's grand prize.

The Buck Wear 'Tribal Rack' will stay looking great through repeated trips through the washer, thanks to Buck Wear's superior quality screen-printing process. Buck Wear's attention-grabbing long sleeve is made of 100% heavyweight pre-shrunk cotton, and is available in a wide range of adult sizes from M to XXL making it a great buy for hunting enthusiasts of all sizes.
