## **PRETTY IN PINK — AND CAMO — YOUR ‘LITTLE DOE’ WILL BE THE TALK OF THE PLAYPEN Buck Wear Designs Infant Apparel ‘Fit for a Princess’ in the New ‘Camo Princess’ Romper**

A family’s passion for the great outdoors doesn’t have to stop at the wardrobe of mom and dad. Even the tiniest infants and toddlers can produce loving ‘oohs’ and ‘awes’ from onlookers while sporting the newest ‘royal’ design from Buck Wear, the new Camo Princess (Model #3698) — proving that little girls don’t have to be able to speak out loud to make a bold statement.

Buck Wear’s stylish and comfy “Camo Princess” Romper will have all the little girls at the playground envious of your child’s cute 2-in-1 short sleeve design made of 100 percent heavyweight cotton. Its popular pink and camo coloring provides the perfect combination of making your ‘little doe’ feel pretty on the outside, while stylish and rugged on the inside. The Buck Wear “Camo Princess” Romper is not only fashionable but functional as it incorporates a “dual layer” design that features a pink sleeveless romper, with a Realtree® AP HD™ camo short-sleeve sewn in underneath — keeping your little one stylish while providing added comfort for those chilly days outside.

Your little princess will love the screen-printed color graphic featured front and center, which illustrates an adorable ‘doe’ with tiara. The Buck Wear “Camo Princess” slogan boldly stands out in camo and pink lettering ensuring your toddler can announce her ‘royal’ status loud and clear whether she’s in the playpen or strolling around town.

The Buck Wear “Camo Princess” Romper is the right fit for your growing girl as it’s available in infant sizes 6,12,18 and 24 months. As always, Buck Wear’s top quality screen-printing process and high-quality fabrics hold up to daily wear and tear to ensure your little one looks her best every time she wears it. Also available from Buck Wear is the ‘Pretty in Pink (and Camo)’ toddler hat (Model # 9896). If you’re looking to outfit your huntress-in-the-making as a ‘camo cutie’, then look no further than Buck Wear’s toddler line.
