**IF THE IDEA OF BEING UNCOMFORTABLE OR DISORGANIZED HAS YOU
SEEING RED, THEN TAKE THE NEW FIELDLINE® BLUE LAKE HYDRATION PACK™
ALONG ON YOUR NEXT OUTDOOR ADVENTURE**

Rough terrain, brutal weather, long hours in the brush or up in treestands – the avid outdoorsman endures enough out in the field without adding discomfort or disorganization to the list. Thankfully, the experts at Fieldline® have crafted the new Fieldline Blue Lake Hydration Pack™, a high-quality pack that keeps gear secure and organized while keeping the hunter both comfortable and hydrated.

The new Fieldline Blue Lake Hydration Pack is a deluxe hydration pack, made with superior materials with the hardcore outdoors enthusiast in mind. Heavy-duty, two-ply Quiet-Cloth® earns points for offering years of use and abuse and allowing you to put the sneak on your query undetected.

Whatever gear you want to bring along to assist in scoring that trophy animal can be securely packed and later grabbed with ease. Clothing, food, ammo, first aid kit, GPS units and calls all have a place within the new Fieldline Blue Lake Hydration Pack's main compartment, in the convenient expandable quick stash mesh pocket or in the vertical front zippered pockets. For quenching your thirst on the go, the new Fieldline Blue Lake Hydration Pack features a two-liter hydration bladder reservoir.

While you keep your eye on the prize, let the experts at Fieldline focus on your carrying comfort. The new Fieldline Blue Lake Hydration Pack boasts four compression straps to stabilize your load; padded shoulder straps and a padded back to help make light of even the heaviest loads; and an adjustable waist and sternum strap to provide for an even better fit and further stability.

The new Fieldline Blue Lake Hydration Pack is available in Mossy Oak® Infinity and Realtree® All-Purpose, ideal for helping you blend into any environment.
