BUCK WEAR® BASS BONE REVEAL T-SHIRT

New T-Shirt Features “Ins and Outs” of the Bass for the Serious Angler

Buck Wear® celebrates one of the most sought-after game fish in the U.S. – the bass, with its new Bass Bone Reveal T-Shirt. Known for being strong and aggressive fighters, the short-sleeved T-shirt features a lifelike graphic of a fierce-looking jumping bass with its skeleton showing – perfect for any die-hard angler who wants to show off his passion for bass fishing.

Whether you use live bait or artificial lures, fish recreationally or in tournaments, all bass anglers will agree, nothing is better than when you feel that strike. Designers at Buck Wear have worked to capture that “first strike” moment with the shirt’s creative thrashing fish graphic. With “Buck Wear Outdoors” and a small bass head graphic on the front left chest, this shirt is bound to become a fast favorite in your wardrobe.

Made to last, the Heather Grey T-shirt is made from with a heavyweight 5.3-ounce 50/50 Poly/Cotton blend and employs the company’s comfort cut for the best fit and maximum maneuverability. Attention has been paid to every detail of the shirt in order to make it as durable as possible including a seamless rib knit collar reinforced with a cover seamed front neck as well as a taped neck and shoulder seams. As all Buck Wear apparel, only the highest quality screen-printed techniques have been used for the graphics in order to guarantee the shirt will last wash after wash.
