## WILEY X<sup>®</sup> SPONSORED DRIVER MATT KENSETH DOMINATES PURE MICHIGAN 400, LEADING FOR 146 OF 200 LAPS

### Kenseth's 34<sup>th</sup> Career Victory Cements Strong Position In Sprint Cup Championship Standings

Wiley X<sup>®</sup> sponsored NASCAR driver Matt Kenseth dominated the field at the Pure Michigan 400 August 16 at Michigan International Speedway, leading the Sprint Cup Series race for 146 of its 200 laps. Kenseth started in the lead, held that lead for most of the day and, in the end, finished with his third Sprint Cup victory of the season by a margin of 1.7 seconds. So dominating was Kenseth's performance, he led for 73% of the race laps, the highest percentage by anyone in a Sprint Cup race this season.

The win was Kenseth's third of this season and 34<sup>th</sup> career trip to Victory Lane. This has been shaping up as a potential championship season for Kenseth, who currently sits 3<sup>rd</sup> in the Sprint Cup Championship point standings, immediately ahead of fellow Wiley X drivers and 2015 season standouts Kevin Harvick<sup>®</sup> (4<sup>th</sup>) and Joey Logano (5<sup>th</sup>). Carl Edwards, also sponsored by Wiley X, is likewise having a strong season and currently ranks 11<sup>th</sup> in the Sprint Cup Standings.

Several Team Wiley X drivers benefited from strong performances at the Pure Michigan 400. It was Harvick who chased Kenseth to the checkered flag for a 2<sup>nd</sup> Place finish. Edwards maintained his position in the point standings by notching a 6<sup>th</sup> Place finish at Michigan International Speedway, one spot ahead of Logano in 7<sup>th</sup>.

"As it has been all season, our sponsored drivers continue to prove their excellence week after week," said Wiley X Co-Owner Myles Freeman, Jr. "One week it's Matt. Another week it's Joey. And then it's Kevin earning a victory burnout. It's very exciting and fun to watch. We couldn't be prouder of all the drivers we sponsor, and are looking forward to what the rest of the season and the championship races will bring," Freeman added.
