BUCK WEAR® SHOWS SERIOUS SIDE WITH NEW PS XTREME HUNTER HOODIE™ Formidable Fashion Infused in New Design

While Buck Wear® believes there is always time for humor, it knows there are moments requiring more quiet and serious style. Because of this, the company has introduced its new PS Xtreme Hunter Hoodie™ which reflects – both in fashion and fit – the rugged and more austere qualities of the sport of hunting.

Quality though and through, the hoodie is complete with drawstring and pouch pocket. Buck Wear has employed the highest quality screen-printing process to create the best-looking and most durable hoodie possible. A stoic-looking buck is featured on the chest of the predominantly dark brown hoodie with the words ‘Xtreme Hunter’ in orange giving the sweatshirt a low-key but striking overall presence.

This stylish hoodie will quickly become one of your staples you’ll grab when it’s chilly outside. Constructed from 100 percent pre-shrunk cotton, the solid pullover is flanked with Mossy Oak® Break-Up Infinity Camo on each arm. The inside of the hood also features the same bowhunting camouflage pattern.

Buck Wear’s new ‘PS Xtreme Hunter Hoodie’ is available in a full range of adult sizes from M to XXL to ensure a comfortable fit for avid outdoorsmen of all sizes. Pair this sweatshirt with one of Buck Wear’s popular hats, shirts or even pick out a piece for the rest of the family — Buck Wear also offers stylish designs for women and children.

Buck Wear’s clothing line is available through top hunting, fishing and outdoor sports retailers across the United States and online at www.buckwear.com.
