To Use Gift Card Code:

The gift code must be copy and pasted directly from the email you received. This must include all hyphens and text, including the "LIFETIME" part with the numbers at the end, and no spaces. This code is only redeemable from www.outdoorproducts.com and no other retailer. The code goes at the bottom right of the screen where it says "promo code," click APPLY to use. Please see the attached example of what a gift card code looks like and how it should be entered into our system. You can also check the status of your gift card at the following link: https://www.outdoorproducts.com/giftvoucher/index/check/
