## **BUCK WEAR® CONTINUES TO 'TELL IT LIKE IT IS' WITH ITS NEW 'QUALITY TIME' TEE**

Hunting season is finally here, so its no surprise that you have only one thing top of mind at all times — harvesting that buck. So when the wife suggests quality time, you happily agree and head straight for the field to get reacquainted with your prey. This laughable story is illustrated loud and proud on the new 'Quality Time' T-Shirt from Buck Wear®.

Buck Wear has a reputation for allowing hunters to wear their minds on their sleeves with entertaining shirts and casual apparel that while at times may cause your betrothed to shake her head in disapproval, you and your hunting buddies will be chuckling under your breath with every wear. The new Buck Wear 'Quality Time' (Model 1220) T-Shirt falls in line with this category perfectly.

The attractive brown tee is constructed of 100% heavyweight pre-shrunk cotton, and is a perfect backdrop for the detailed illustration dominated by a gorgeous trophy buck — so real looking you can almost see his nose quiver. And the statement that says it all is splashed across the scene, "She suggested quality time, so I went deer hunting!" The recognizable Buck Wear logo is featured on the front left chest of the shirt, so friends and onlookers alike will know the wearer is an avid outdoorsman at heart.

Buck Wear's new 'Quality Time' T-shirt is available in a full range of adult sizes from M to XXL to ensure a comfortable fit for hunters of all sizes. Plus, Buck Wear's quality sportswear and printing process guarantees this new T-shirt will last for many seasons to come. Pair this witty shirt with one of Buck Wear's popular hats, hoodies or even pick out a piece for the rest of the family — Buck Wear also offers stylish designs for women and children.

Buck Wear's clothing line is available through top hunting, fishing and outdoor sports retailers across the United States and online at [www.buckwear.com](http://www.buckwear.com).
