BUCK WEAR® MAKES YOUR LITTLE ONE THE CUTEST LITTLE BUCK IN TOWN

Toddler Deer Face Animal Hoodie Will Be a Fast Favorite with Toddlers and Parents Alike

Buck Wear® is single-handedly making kids even more adorable with the new Toddler Deer Face Animal Hoodie. For toddler boys and girls, the hoodie sweatshirt takes loveable to a whole new level making them look like a little buck.

Like you don't already want to squeeze your toddler, this soft brown hoodie transforms your little one as soon as they pull the hood on. Of course, what's cuter than a little buck taking after mom and dad's passion for the outdoors? Atop the hood — big deer eyes and a sweet nose. Add to that plush 3D ears and mini antlers that extend off the top and the look is complete.

Made from an 7.5-ounce blend of 80 percent cotton and 20 percent polyester, the hoodie is made to keep kids comfy and warm — perfect for sitting around the campfire or those early morning hikes with mom and dad. Constructed to move with their movements, the sweatshirt offers plenty of room and is super soft. Two side pockets are perfect for keeping hands warm and treasures stowed.

Buck Wear's new brown Toddler Deer Face Animal Hoodie (Model # 3930) is available in 2T, 3T and 4T. Pair this hoodie with one of Buck Wear's popular hats, T- shirts or even pick out a piece for the rest of the family — Buck Wear also offers stylish designs in men's and women's sizes.
