1 Timber Hawk Sidewinder – Designed specifically for bowhunters, the new Timber Hawk® Sidewinder will organize and store all of your essential bowhunting gear and compliment your movements rather than hinder them. A single-strap “sling” design allows you to release an arrow while wearing the pack and will never stand between you and the perfect shot. MSRP: \$90. timberhawk.com

2 Canyon Coolers 125 Quart – Nothing says ‘cool’ Christmas gift like a premium cooler that can keep your beverages super cold and harvested game fresh. Canyon Cooler’s 125 Outfitter features 2 3/4 inches of wall thickness constructed of premium polyurethane (injected under pressure) within all wall cavities and the lid. These incredibly thick walls help ensure its impressive ice retention time of weeks, instead of days like the competition. MSRP: \$399.99. canyoncoolers.com

3 Optisan Litec R Series 8 x 42 Binoculars – Optisan’s Litec R 8x42 Binoculars not only deliver the superior quality and performance hunters expect when in the field, they’re built to last and handle the weather and rigors of rugged country others dare not tread. Bowhunters will appreciate the bino’s edge-to-edge razor-sharp, high contrast image even in low light conditions. MSRP: \$179.99 optisanoptics.com

4 OKC International Camo Folder – The OKC International Camo Folder can slide nicely right into a bowhunter’s holiday stocking. A satin, stainless steel blade combined with a high quality aluminum handle with rubberized Camo grip, bowhunters will be able to slice through any task outdoors. MSRP: \$25.50 ontarioknife.com

5 Buck Wear Legend Continues – The perfect gift for bowhunters on your list. Buck Wear’s message of relentless passion will shine through with every wear thanks to this black shirt’s detailed illustration, which divulges a dynamic story of a bowhunting warrior, and his legacy. The words ‘The Legend Continues’ perfectly narrates the scene, and is sure to resonate with every bowhunter it encounters. MSRP: \$16.99 buckwear.com

6 Prois Ultra Backcountry Shirt – Serious lady bowhunters also have high quality gear on their holiday wish list. And Prois Hunting & Field Apparel has the ‘Ultra’ lightweight and perfect fitting shirt serious female hunters require in the field. The sleek and comfortable Ultra Backcountry Shirt features an athletic cut with a lightweight, whisper quiet design. MSRP \$64 proishunting.com

7 Archer Xtreme Titanium Recon – The Archer Xtreme™ Titanium Recon has taken arrow rest technology and quality to a level unheard of in the archery industry. Warrior built using the lightest, toughest materials the industry has to offer, including carbon and titanium, the AXT Titanium Recon takes performance well beyond the competition. MSRP: \$169.99 archerxtreme.com

8 Gear Keeper Deluxe Rangefinder Holster – The Gear Keeper Integrated Retractable Holster for Rangefinders features an ultra quiet retractable cable, which allows hunters to quickly grab the rangefinder, use it, then just as quickly let it glide effortlessly and quietly back into place. All this means is you can focus on accurately gauging your distance, without worrying about or fumbling with your equipment. MSRP: \$44.99 gearkeeper.com
