PRÓIS® HUNTING AND FIELD APPAREL'S ULTRA SHORT SLEEVE SHIRT — THE PERFECT ACTIVE PERFORMANCE TEE FOR THE HUNTRESS ON THE MOVE

Serious female hunters look to the experts at Próis® Hunting and Field Apparel to design high-performance huntwear that is supremely comfortable and functional in the field. So Próis is proud to offer its Ultra Short Sleeve Shirt, the all-around versatile hunting tee that blends the athletic performance features of a running shirt with the concealment needed when in hot pursuit for a trophy.

Designed for women by women, Próis has literally thought of every technical design element to make this shirt a staple in your hunting wardrobe. The Próis Ultra Short Sleeve Shirt's versatility allows you to wear it alone while stalking plains game on a hot summer day or as a base layer under a Próis vest or jacket when cooler weather rolls in. Your game is on the move, and so are you, and the shirt's lightweight, athletic cut and fit allows it to seamlessly – and silently – move right along with you. It's constructed with breathable, 100% polyester birds eye wicking fabric, which actively wicks moisture away from your skin through the fabric, helping you stay cool, dry and comfortable – especially when the hunt heats up.

Próis never wants you to settle for downsized menswear or upsized children's gear, which is why the Ultra Short Sleeve Shirt is tailor-made to fit the female form. Plus, you'll stay undetected when tracking down your next big trophy thanks to the tee's available camo patterns: Realtree AP HD® or Advantage Max-1 HD®.

The Próis Ultra Short Sleeve Shirt is ultra soft and snag resistant and comes in a wide range of sizes from XS through XL, to provide an ideal fit for hunters of any size. The garment is machine washable and proudly made in the U.S.A.
