**Keep up with the latest United States Marine
Corps marksmanship curriculum.**

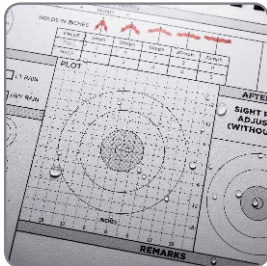

Every Marine is, first and foremost, a rifleman. Each Marine must review the principles of rifle handling and marksmanship under field conditions, annually.

The *Rite in the Rain* Marine Rifle Data Book contains all of this vital reference and practice material, and protects it with durable and weatherproof materials to save it from the conditions in which Marines fight and train.

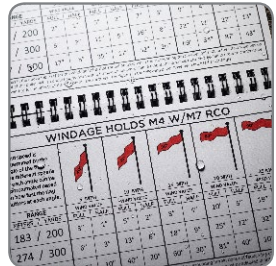

— Due Q1 2019 —

Durable and weatherproof paper and materials survive splashes and stains.

Current Marine Corps courses of fire and weapon handling protocol.

Evaluate wind conditions and develop other crucial skills.
