## BUCK WEAR® SILENCE KILLS SHIRT FEATURES BOWHUNTER VS. BUCK

### Wear it Loud and Proud: New T-Shirt Shows Off Bowhunter's Passion for the Hunt

There is no other way to say it. When stalking prey – especially with a bow – “Silence Kills.” The new Buck Wear® Silence Kills T-shirt eternalizes this refrain and will be sure to get a nod from your fellow bowhunters. When hunting with a bow, success happens at a much closer range, and every archer knows being stealthy can be the difference between going home hands empty or with the prize of a lifetime in tow.

This shirt is for the hunter who's proud to showcase his passion for the sport. The words “Silence Kills!” is emblazoned across the top of the black shirt in fiery capital letters which drip down into the scene below which features a shadowy bowhunter in the foreground, arrow drawn, ready for the kill. In the background is the sought-after prize, a 10-point buck.

Made to last, the shirt which gets softer and softer with each wash is made from a heavyweight 5.3-ounce 100% cotton. Built to move with you, the shirt features the company's comfort cut for the best fit and maximum maneuverability. No detail has been missed with the construction of this shirt, which includes a seamless rib knit collar reinforced with a cover seamed front neck as well as a taped neck and shoulder seams. As all Buck Wear gear, only the highest quality screen-printed techniques have been used for the graphics in order to guarantee the shirt will last wash after wash.

Buck Wear's new Silence Kills T-shirt (Model # 2018) is available in sizes medium through XXXL. Pair this T-shirt with one of Buck Wear's popular hats or sweatshirts or even pick out a piece for the rest of the family — Buck Wear also offers stylish designs in women's and youth sizes.
