## **BUCK WEAR® INTRODUCES LINE OF FUN AND CUTE ANIMAL HOODIES FOR TODDLERS**

### **New Casual Wear Collection For Little Ones Who Are ‘Born 2 Be Wild’**

Make any toddler that much cuter with a hoodie sweatshirt from the new Animal Face Hoodie line by Buck Wear®. Keep your toddler toasty warm in these cute hoodies available in eight different designs to fit your little one’s personality.

The Animal Hoodie line has something for everyone with lovable sweatshirt designs featuring a wide variety of cuddly creatures. The company’s original Deer Face Hoodie – with big doe eyes atop the hood a sweet nose, and cute little horns – is now available in both brown (#3930) and pink (#3920). Rounded cub ears sit on top the brown Bear Face Hoodie (#3931), which also bares teeth along the edge of the hoodie. The grey Mallard Face Hoodie (#3929) features a green hood complete with duck face and bill. The Moose Face Hoodie is available in both brown (#3918) and purple (#3917) and has delightfully sweet horns and ears. The wise red Owl Face Hoodie (#3919) has large eyes and signature owl shaped ears perched atop the hood. A fierce-looking brown Bull Face Hoodie (#3916) rounds out the collection with piercing eyes and white horns.

These soft and snuggly hoodies are each made from an 8-ounce blend of 80 percent cotton and 20 percent polyester, making for a comfortable and warm fit. As with all Buck Wear sweatshirts, the hoodies are made to move with you, and have plenty of room so as not to inhibit jumping, running and well – being a kid. The hoodies have two side pockets to keep hands warm. And, like all Buck Wear designs, the sweatshirt’s creative appliqué embellishments will stand the test of time thanks to Buck Wear’s high quality processes.

Buck Wear’s new Animal Hoodies are available in 2T, 3T and 4T sizes. Pair an animal hoodie with one of Buck Wear’s popular hats, T- shirts or even pick out a piece for the rest of the family – Buck Wear also offers stylish designs in men’s, women’s and youth sizes.

Buck Wear’s clothing line is available through top hunting, fishing and outdoor sports retailers across the United States and online at [www.buckwear.com](http://www.buckwear.com).
