## **PASSION AND SAFETY COMBINE IN THE NEW HI-VISIBILITY SAFETY SKULL T-SHIRT FROM BUCK WEAR®**

### **Blending Fashion and Function, This Bright New Tee is Sure to Catch the Eye of Avid Hunters Worldwide**

Buck Wear®, Inc. is proud to announce the addition of its bold and bright new Hi-Visibility Skull T-shirt, the newest addition to its complete line of safety shirts for hunters. Whether you're sporting the shirt in the field, or you have an eye for the latest bright-colored fashion trends, your passion for the hunt will be the brightest message of all.

Long gone are the days of closets stuck in the boring black and blue color spectrum. Hi-Viz is where it's at – bold, bright and in-your-face — just like your passion for the outdoors, and the continued theme behind many designs at Buck Wear. This time it's not just for generating kicks and giggles, Buck Wear's more serious side values safety as much as its hunting community, which is why the company has chosen hunter blaze orange as the color base for the new Hi-Viz Safety Skull T-shirt.

Keeping in tone with the latest trends in hunting, an extremely detailed European Skull illustration is featured center stage on the back of the shirt. The super-cool, edgy drawing is blended with some brilliantly bright yellow shading and eye-catching details, which makes this tee a great choice whether your focus is safety in the field or to simply hang out with friends. Of course, the Buck Wear logo is prominently featured on the front-left chest, just in case your friends and hunting buddies wonder who the masterminds behind this bright design are.

If keeping a lower profile is more your style, the Hi-Viz Safety Skull T-shirt is also available in black with bright hunter orange and yellow accents. As with all quality Buck Wear shirts, the company utilizes the highest caliber screen-printing process available in order to create the best-looking and longest lasting shirts possible. The new Buck Wear Hi-Viz Safety Skull T-shirt is constructed of 100% pre-shrunk cotton and is available in a wide range of sizes from medium to XXL to ensure a comfortable fit for any outdoorsman. Pair this shirt with one of Buck Wear's popular hats, sweatshirts, casual wear or even pick out a piece for the rest of the family — Buck Wear also offers stylish designs for women and children.

Buck Wear's clothing line is available through top hunting, fishing and outdoor sports retailers across the United States as well as online at [www.buckwear.com](http://www.buckwear.com).
