## **CALLING ALL BASS ANGLERS – THIS SHIRT’S FOR YOU! New Buck Wear Shirt for Anglers is Comfortable, Stylish and Just Downright Funny**

If you’d rather spend your days tempting deepwater bass than clicking away at your computer, chance are you’re not alone. And Buck Wear’s newest T-shirt design for bass anglers states your dreams of dropping your line during work hours perfectly, “Nobody ever had a bumper sticker that said: I’d rather be working.”

Instead of reaching for that stuffy suit and heading to the office, throw on your new Buck Wear ‘Bumper Sticker – Bass’ T-shirt and make your way to the lake for a day on the water. Whether you’re playing ‘hookie’ to ‘hook’ some bass or waiting to reel in your catch on the weekends, your Buck Wear shirt will help you showcase your dedication for fishing. Made of 100% pre-shrunk cotton, this moss-colored shirt looks as good as it fits. In fact, the bass-catching action illustrated on the back is so lifelike and vivid, you can almost feel the sprays of lake water. And if you’re a passionate bass angler, you’ll resonate with the shirt’s clever and comical caption: “Nobody ever had a bumper sticker that said, I’d rather be working”. The iconic Buck Wear logo is featured on the front left chest.

Whether you wear it on or off the water, your new Buck Wear shirt will stay looking and fitting great season after season thanks to Buck Wear’s high-quality screen-printing process and wide variety of sizing options from Medium to XXL. Pair this hoodie with one of Buck Wear’s popular hats, shirts or even pick out a piece for the rest of the family — Buck Wear also offers stylish designs for women and children.
