BUCK WEAR® SAYS TRUST YOUR INSTINCTS: THE NEW DEER PREDATOR TROPHY HOODIE IS FOR YOU

Predator instincts. You know you have them. You know you rely on them when out on the hunt. The newest hoodie sweatshirt from Buck Wear® — the Deer Predator Trophy Hoodie — celebrates you because you are hardcore. You are committed. You go with your gut.

Available in both black and Realtree® Xtra camo, the hoodie is constructed of a perfect blend of 80 percent cotton and 20 percent polyester for the comfort and fit you've come to expect of Buck Wear. Featuring the softest classic heather fleece to keep you warm, the hoodie has a single hand-warmer pocket and adjustable hood with a rugged drawstring.

The team at Buck Wear designed this hoodie to reflect everything you are — a hunter who goes with his impulse. Most hunters would agree, sometimes its best to act on instinct just like the deer you hunt. Sometimes you can't explain the "why" and it's that sixth sense that sets you apart.

Two deer skulls make up a diehard and fierce-looking emblem on the front of the hoodie. It proudly reads "Deer Hunter" atop with the added mantra "Trust Your Instincts" emblazoned below making it an ideal hoodie to throw on to show folks who you are when at camp or out and about in town. Like all Buck Wear designs, the hoodie's creative illustrations will stand the test of time thanks to Buck Wear's high quality screen-printing processes.

Buck Wear's new Deer Predator Trophy Hoodie (Model # 1707) is available in a wide range of adult sizes from MD to XXL, to ensure a comfortable fit for outdoorsmen of all sizes. Pair this hoodie with one of Buck Wear's popular hats, shirts or even pick out a piece for the rest of the family — Buck Wear also offers stylish designs for women and children.
