RINEHART® TARGETS LAUNCHES SIZZLING SUMMER REBATE PROGRAM

Limited Time Only Mail-In Rebates Now Available on Some of Your Favorite 3D Targets

Janesville, WI — Rinehart® Targets, creators of the ‘Best Archery Targets in the World’, has announced the launch of its annual Summer Rebate Program which allows fans of the brand to purchase select Rinehart Targets with a money back rebate. These extra savings means now’s the perfect time to pull the trigger on your next Rinehart Target purchase, and get those practice reps in before bow season begins.

“Rebate season is an exciting time as there will be savings offered on several of our most popular targets throughout the summer,” said James McGovern, President of Rinehart Targets. “These limited time rebate offers will make a customer’s purchasing decision that much easier and we’re excited to offer our quality targets to even more archers this season with these incredible rebates,” he added.

The first rebate promotion will run from July 1st thru August 31st, giving \$10 cash back on the following targets: 18” Rhino Bag, 22” Rhino Bag, 18” X-bow Bag and 22” X-bow Bag.

Round two of rebates starts August 1st and lasts thru September 30th. During these two hot summer months archers can cash in on even hotter rebate offers including \$20 cash back on the company’s flagship 18-1 Target, 26” Rhino Bag or Woodland Boar target. Plus, if you’ve been eyeing a full size deer target, you can snag the brand new Woodland Big Jim target with a \$30 rebate during this timeframe as well.

After purchasing a qualifying Rinehart Target, customers can simply go to Rinehart3d.com/rebates and download the rebate submission form listed for the target model purchased. Complete the rebate form, mail it along with a copy of your receipt to the provided mailing address and a rebate check will soon be on the way.

Rinehart Targets offers a complete line of life-like and durable practice archery targets for the avid archer. All products are designed with every detail accounted for to mimic the real thing. The company continues to grow and innovate with versatile, brand new targets that appeal to every archer – many of which incorporate the company’s renowned technology like Rinehart’s exclusive solid self-healing foam and patented locking inserts, both designed to further enhance the durability of each target.
