GEAR KEEPER® RANGEFINDER PACK GIVEAWAY NOW LIVE ON FACEBOOK

**Through a Simple, Quick Entry, You Could Win a Gear Keeper Integrated Retractable Holster for Rangefinders
PLUS a Nikon ACULON Laser Rangefinder**

Going on now through Thursday, September 10th, Facebook fans of Gear Keeper® will have the chance to win a Gear Keeper Retractable Holster for rangefinders AND a Nikon ACULON Laser Rangefinder to go inside (a total value of more than \$200).

All fans need to do is head over to the Gear Keeper Facebook page and enter the contest or access the contest directly by clicking [here](#). Plus, the more fans share the contest with friends, the more opportunities they have to win. Winner will be announced on September 10th on the Gear Keeper Facebook page, so be sure to have Gear Keeper as one of your 'likes'. This is your chance to cross two important gear items off your wish list this hunting season – don't delay!

Gear Keeper's Integrated Retractable Holster will not only securely carry your rangefinder, helping to reduce nicks, scrapes, damage and loss, but it will also hold the rangefinder snugly within the holster and close to the body — even when hiking through thick brush or rough terrain. With the Gear Keeper Integrated Retractable Holster, your rangefinder won't be hanging and dangling, getting in the way, getting snagged and getting banged around or giving away your position.
