Janesville, WI — Rinehart Targets®, manufacturers of the most durable and lifelike 3-D archery targets in the industry, has announced its wildly popular Rinehart R100 Shoot will be coming to **Friant, CA April 8-9**. The shoot will be hosted by Break the Barriers Archery at a beautiful new 200 acre location. So, come and shoot, win prizes and have fun!

A full two-days of shooting fun, the event is a family-friendly weekend of competitions – from serious to the wacky. The event features 100 unique targets including 67 targets from Rinehart’s 3D line ranging from mosquitos to lions and everything in between. There will also be 33 specially made custom targets that you will only see at R100 Shoot events such as life-size giraffes, zebras, elephants and more.

The R100 Shoot is open to adults and kids of all ages. Pre-register for the event at www.r100.org and save up to \$10. Pre-registration closes 48 hours prior to event start, however participants can also register onsite beginning Saturday at 7:30 a.m. with the first event taking place at 8:00 a.m. The event ends on Sunday at 3:00 p.m. with an award ceremony where shooters have the chance to take home prize gear packages provided by event sponsors like Matthews, Darton Archery, AAE, Treelimb Quivers, Sword Sights, Vortex and more!

Don’t miss some of the fun events including the Milk Jug Shoot and the Super Ten. A novelty shoot, the Sunday Milk Jug Shoot features two one-gallon jugs of water hung from a pulley system. The goal – to empty your jug before everyone else! Only 16 archers compete in this event. Nab one of those 16 spots, at the pre-qualifier event on Saturday.
