FARGASON TENT CHAIR® “SPORT” SCORES BIG POINTS WITH FANS OF CONVENIENCE AND VERSATILITY

Whether it is a tailgate party before the game, a fishing expedition high in the mountains or a pool party in the backyard, the Fargason Tent Chair® “Sport” is ready to offer you the kind of convenience, versatility and protection from the elements that will score big with you and your family.

The Fargason Tent Chair “Sport” features an integrated, weather-resistant canopy that shields you from wind, moisture and the harsh rays of the sun, yet still gives you the feeling of being in the great outdoors. Two large side windows bring in the cool breezes and let you follow all of the action. Once set up at the field, stream or RV park, you will be able to have the best seat around and hang out for as long as the game or marshmallows last, because everything you need will be at your fingertips. A cup holder keeps your refreshing beverage within reach; listen to your favorite tunes or store your MP3 player in the zippered armrest pocket; and the gear seat pocket holds everything from sunglasses to binoculars to sunscreen. However, with the Fargason Tent Chair “Sport’s” SPF-50 Extreme Sun Protection, the sunscreen may just be optional!

With so much going for it, you will want to take the Fargason Tent Chair “Sport” with you everywhere, and thanks to its compact, light weight design, you can! The Fargason Tent Chair “Sport” weighs in at about seven pounds and sets up in a matter of seconds, getting the party underway or the fishing line in the hole that much sooner.

The Fargason Tent Chair “Sport” can accommodate up to 225 lbs and is available in a variety of colors. It’s made with the finest materials with careful attention to detail, ensuring you the comfort and convenience during sports events, camping trips, RV vacations and fishing getaways for years to come.
