## NEW DSG OUTERWEAR BREANNA 2.0 FLEECE PULLOVER AND DROP SEAT BIB SET COMBINES FUNCTION AND COMFORT FOR WOMEN HUNTERS

### New Size-Inclusive and Versatile Pullover and Bib Set is the Ultimate Mid-Season Apparel Set for Women

**Madison, WI** – [DSG Outerwear](#), premier makers of the most technical, high-performance and size-inclusive hunting apparel for women, is proud to introduce its newest hunting bib and pullover set that delivers a superb fit plus field-proven functional features women hunters are sure to appreciate. In fact, the new Breanna 2.0 Fleece Pullover and Drop Seat Bib Set is the ultimate mid-season apparel set for women.

DSG Outerwear has paired the perfect pullover and pants set together for your next hunt. Both the Breanna 2.0 Fleece Pullover and Drop Seat Bibs are constructed of a quiet, bonded stretch fabric with a soft shearling interior. The interior is incredibly soft for extra comfort while the exterior is DWR treated, which means it's waterproof and water repellent, keeping hunters both dry and warm during inclement weather. The set is both comfortable and silent, so whether you're on the move or spending hours in the treestand, you'll remain warm, comfortable and ready to take your shot.

The Breanna 2.0 Fleece Pullover incorporates a removable and adjustable hood; a durable quarter-zip which makes pulling the hoodie on and off a breeze; as well as adjustable cuffs for the perfect fit. A spacious two-way kangaroo pocket with hook and loop closure is ideal for storing important hunting equipment like your binos, while also allowing for easy access at all times. A vertical lapel zippered chest pocket provides even more storage for any smaller items you'd like to store on your person. The Breanna 2.0 Fleece Drop Seat Bib incorporates an adjustable snap inseam (from 28.5-inches to 32.5-inches); a drop seat feature allowing for easy access when nature calls; a large, zippered thigh pocket and an easy-to-adjust suspender system to ensure a perfect length.

Both the Breanna 2.0 Fleece Pullover and Drop Seat Bib Pants are available in the popular Realtree Edge® or Realtree Escape™ camouflage patterns, as well as Black. Both Realtree® camouflage patterns allow hunters to blend seamlessly into their environments at both close range and from a distance, while the Black option is perfect for sitting in a blind.

Like the rest of the DSG Outerwear apparel line, both the Breanna 2.0 Fleece Camo Pullover and the Breanna 2.0 Drop Seat Bib are made for women of all sizes and shapes, with a wide variety of sizes available from XS-5XL. They both also have an MSRP of \$129.99 each (sold separately).

#### *About DSG Outerwear*

DSG Outerwear was conceived in 2010 by Wendy Gavinski after many years of personal frustration with the limited selection of women's outerwear for active outdoor lifestyles. The goal – create a line of clothing and gear that meets the need for a functional and feminine fit, including plus sizes. The company produces a wide range of clothing options for hunting, fishing, ice fishing and snowmobiling. DSG Outerwear uses the highest quality materials and components built by designers and production specialists with over 40 years of experience in making quality outerwear. The company produces everything from highly functional performance layering pieces to insulated jackets, bibs, pants, footwear and accessories that are perfect for all types of outdoor activities, even in the coldest weather. Women's outerwear designed by women to fit women of all shapes and sizes and built to perform. Learn more at [www.DSGOuterwear.com](http://www.DSGOuterwear.com).
