DICKINSON ARMS UNVEILS EXQUISITE PALMARIUS OVER/UNDER SHOTGUN

Premium Features and Figured Turkish Walnut Highlight New 12-Gauge O/U

[Dickinson Arms](#), a world-renowned leader in high-quality firearms, is proud to announce the addition of the Palmarius over/under, 12-gauge shotgun. The impressive new addition to the Dickinson Arms line of high-quality shotguns and other fine firearms, will sit in a place of distinction in your gun cabinet, and perform flawlessly in the field.

The first thing most will notice about the Palmarius shotgun is the Grade 4, figured Turkish walnut that adorns this amazing shotgun. Crisp checkering in the grip areas give you a solid hold as you bring the gun to your shoulder, and a polymer butt pad keeps it firmly in place. The receiver is fully engraved for a stylish and classic look that you simply must see to fully appreciate.

The Palmarius is a box-lock action 12-gauge over/under with three barrel length options - 26-, 28- and 30-inches. The gun has a 3-inch chamber with a manual safety and an automatic shell ejector. The overall length of the Palmarius ranges from 43 to 47 inches, allowing you to pick the shotgun that fits you best. The length of pull is 14.5 inches. The overall weight ranges from 7.25 to 7.35 pounds depending upon barrel option, making it a great feeling shotgun that will work birds well, or get you on target on the skeet, trap, or sporting clays range.

Most want an over/under shotgun for the classic feel and appeal of what has become the standard of upland hunting shotguns. If you want a shotgun that blends the classic looks of a high-end shotgun, with the high performance you expect from Dickinson Arms. Learn more at Dickinson Arm's website.
