"When lives are on the line, firefighters and rescue personnel don't want to have to search for tools when they need them," said Jared Meibos, President of Bear Valley Tactical. "We set out to design a reliable multi-tool with a built-in hydrant wrench, ax, pry bar, and more that was durable, easy to carry and would prove extremely useful in emergency situations."

The 100% American-made BV-TAC 8 incorporates a Hydrant Wrench, Spanner Wrench, Hammer, Axe Blade, Pry Bar, 7/16-inch Wrench, 5/16-inch Wrench, and Gas Turnoff - all into one easy-to-carry tool with a paracord handle that adds additional uses.
