TOP-TIER SOLUTIONS INTRODUCES THE QUICK DRAW™ 68 OZ RETRACTABLE SLING FOR PREDATOR AND HOG HUNTERS

Built for Hunters Who Demand Control, Stability, and Fast Transitions in the Field

Moorpark, Calif. — Top-Tier Solutions Group, makers of quality tactical and outdoor gear, is proud to introduce the [Quick Draw™ 68 oz Retractable Sling](#) for predator, coyote and hog hunters who need their rifle secure, close to the body, and ready to use.

Unlike traditional fixed-length slings, the Quick Draw 68 oz uses a powerful 68 oz retractor to automatically manage sling tension and keep the rifle close to the hunter's body. The retractable design helps reduce excess sling movement while providing added stability when settling into a shooting position.

Built for demanding hunting conditions, the Quick Draw features durable tubular nylon webbing for comfort and strength, along with QD (Quick Detach) mounts for fast, secure attachment and removal.

KEY FEATURES:

- 68 oz Retractor for maximum retraction and rifle retention
- Retractable design keeps the rifle close to the body
- Helps provide added shooting stability
- Tubular nylon sling for durability and comfort
- QD mounts included
- Designed for predator, coyote, and hog hunting
- Built for hunters who demand quick transitions and hands-free rifle carry

Whether calling predators in open country or moving through thick cover after hogs, the Quick Draw 68 oz is designed to keep your rifle controlled and ready without the excess slack of a conventional sling.

Top-Tier Solutions Group — changing the way hunters carry and control their rifles.

The Quick Draw 68 oz Retractable Sling has an MSRP of \$139.99. Learn more at top-tiersolutions.com
