DSG OUTERWEAR ROLLS OUT NEW UNISEX ROLLING DUFFLE BAG IN REALTREE EDGE® CAMO

Haul it all on Hunting Adventures Big and Small with Durable New Roller Bag

Madison, WI – DSG Outerwear, makers of the most technical, high-performance and size-inclusive hunting apparel and gear for women, is proud to announce the newest addition to its line of durable, premium quality luggage, the DSG Roller Bag in Realtree Edge® camo.

This handy duffel is designed to go anywhere the hunt takes you. Weighing in at only 10lbs when empty, the new unisex DSG Roller Bag is the perfect piece of luggage built to haul all the right gear without the unnecessary weight. The roomy duffel measures 32"x18"x16" with 5.3 cubic inches of space, which means it's big enough for hunters who need maximum storage and carrying capacity to swallow up loads of clothes, provisions and gear.

A large main compartment with storage divider can house and organize all your important gear while a separate large, vented and water-resistant pocket provides convenient storage for boots.

The new DSG Roller Bag has plenty of smaller storage options as well, including a large zippered side panel pocket with storage dividers, which allows you to stash and organize smaller items while keeping them easily accessible. The flip side of the bag features another large zippered side panel which houses a fold out changing mat to keep your feet clean and dry when changing.

Durability and keeping contents safe is extremely important when traveling which is why the bag is equipped with handles reinforced with heavy-duty stitching and hardware, as well as heavy-duty main compartment zippers for extra strength. A long pullout handle and large wheels let this duffel easily roll with you on any hunting adventure. The bottom of the bag incorporates reinforced slide bars and a hard plastic inner base to maintain the structure of the bag as it slides in and out of your truck, TSA or baggage claim.

The DSG Roller Bag is not just for women; its unisex design means it's a versatile piece of luggage perfect for men and women hunters alike. It comes in Realtree Edge camo allowing it to easily blend in with any environment as well as seamlessly match the rest of your hunting gear. Black is also available.

About DSG Outerwear

DSG Outerwear was conceived in 2010 by Wendy Gavinski after many years of personal frustration with the limited selection of women's outerwear for active outdoor lifestyles. The goal – create a line of clothing and gear that meets the need for a functional and feminine fit, including plus sizes. The company produces a wide range of clothing options for hunting, fishing, ice fishing and snowmobiling. DSG Outerwear uses the highest quality materials and components built by designers and production specialists with over 40 years of experience in making quality outerwear. The company produces everything from highly functional performance layering pieces to insulated jackets, bibs, pants footwear and accessories that are perfect for all types of outdoor activities, even in the coldest weather. Women's outerwear designed by women to fit women of all shapes and sizes and built to perform.
