## FULL-THROTTLE COMMUNICATIONS ADDS NEW MARKETING ASSISTANT JAMIE GUERRERO

Moorpark, CA-based Full-Throttle Communications, Inc. is pleased to welcome Jamie Guerrero to its experienced team of marketing, advertising, PR and sales management professionals, taking on the role of Marketing Assistant. In her new position, Guerrero will assist the company's executive team in the planning and execution of dynamic marketing, advertising and PR campaigns for the agency's long list of enthusiast-based clients.

A die-hard shooter at heart, Guerrero most recently held the position of Marketing Coordinator at Stryker Paintball and Airsoft of Santa Paula, Calif. Thanks to her marketing diligence and expertise, the company thrives as Ventura County's premier recreational paintball field. Adding to her communications portfolio is Public Relations work at FOOD Share of Ventura County and a Bachelor of Arts in Communications degree from California State University, Channel Islands.

"I'm thrilled to be on board at Full-Throttle, and utilize my marketing knowledge and experience to help our clients move the marketing and PR needle," notes Guerrero.

Guerrero will fit right in with Full-Throttle's client roster, as her passions extend far beyond the paintball field. When she's not hitting up the shooting range, you can find her on the trails hiking or heading to the water for a little paddle boarding, boating or fishing.

"We're excited to have Jamie on board the Full-Throttle team," said Jason Bear, agency president/CEO. "She brings a wealth of knowledge and experience to the table and has already become an asset to the team as we prepare to execute client campaigns in the new year."

The team at Full-Throttle Communications are industry-leading professionals who develop the powerful tools needed to position brands at the top of the marketplace – providing stellar creative solutions, cutting-edge market insights and influential media outreach. Full-Throttle Communications is a one-stop shop for all means of communication with extensive experience in helping companies obtain that competitive edge – and effectively elevate their business to the next level.
