HEMISPHERE COFFEE ROASTERS® INTRODUCES NEW BOURBON BARREL-AGED COFFEE

Not Your Every-Day Morning Coffee, New Specialty Brew Delivers Unique Coffee Experience

Mechanicsburg, Ohio - [Hemisphere Coffee Roasters](#)®, the company that relentlessly pursues perfect coffee-making blended with responsible fair-trade business practices, is proud to expand its line of premium products with the introduction of a new type of brew crafted to awaken your unique coffee-drinking experience. Introducing the company's new Bourbon Barrel-aged Coffee. Coffee connoisseurs who also enjoy a fine bourbon experience can now find the same sophisticated flavoring in a quality cup of coffee, without the alcohol.

"Our new Bourbon Barrel-aged Coffee is not your average, every-day cup of Joe," said Paul Kurtz, Owner of Hemisphere Coffee Roasters. "The beans are perfectly aged in a White Oak Bourbon Barrel, then gently roasted in small batches, releasing the unique taste and essence of fine bourbon for a refined sipping experience," he added.

Whether you choose to sip it only on special occasions or as your after-dinner night cap, this rich and savory cup of coffee will not disappoint. To create the new Bourbon Barrel-aged coffee, Hemisphere Coffee Roasters takes high quality, Nicaragua green coffee beans and gently ages them in a freshly tapped White Oak Bourbon Barrel for a truly unique coffee drinking experience. The beans are then gently roasted to a medium level to bring out the white oak, caramel, sweet and nutty notes with the essence of fine bourbon, with no alcohol.

Hemisphere Coffee Roasters offers a wide variety of available Bourbon Barrel-aged Coffee products. The medium-roast whole beans come in a 10-ounce bag; a 5.5-ounce bottle; an 11 oz. bottle and a 22-ounce growler. The specialty beans also make the perfect gift for anyone from dads to granddads and every whiskey/coffee lover in between. This is why Hemisphere Coffee Roasters also offers two gift set options (Essential and Premium), both of which include bags and/or bottles of Bourbon Barrel-aged beans plus a handmade Plum Bottom Snifter cup from [Saint Anthony Industries](#), which helps trap aromas and add to the tasting experience.
