RINEHART TARGETS® SUMMER REBATE SEASON IS IN FULL SWING!

Get Cash Back with Mail-In Rebates on Your Favorite Rinehart 3D Targets When Purchasing This Summer

Janesville, WI — Rinehart Targets®, creators of the ‘Best Archery Targets in the World’, is proud to continue its ever-popular Summer Rebate Program, offering archers a simple way to earn cash back when purchasing some of the company’s most popular targets this summer. This means it’s never been easier, nor a better time for archers to pull the trigger on purchasing a quality Rinehart Target.

Timing is everything if customers want to maximize cash-back savings during Rinehart’s Summer Rebate Program. Multiple rebate offers for a variety of targets will be available throughout the summer with limited time windows for purchasing. This means, if customers have a specific target in mind they are looking to purchase, it’s important to pay close attention to the timeframe that target rebate will be available.

Now thru August 31, 2021, customers can receive a \$10 rebate on several of Rinehart’s most popular targets including the 18” Rhino Bag, the 22” Rhino Bag, the 18” Xbow Bag, the 22” Xbow Bag or the Woodland Antelope. Starting August 1, 2021 thru September 30, 2021, customers can receive a \$20 rebate on Rinehart’s flagship target the Eighteen to One (18-1), the Woodland Elk, the Woodland Caribou, the Woodland Moose or the Jimmy Big Tine target. In addition, July 1st thru August 31st, archers can cash in on a \$30 rebate on either the Big Jim target or the Woodland Mule Deer target.

“Rebate season has become an event our customers look forward to each year and we’re proud to offer these exciting cash-back offers once again this summer,” said James McGovern, President of Rinehart Targets. “We’re always looking for ways to get more people interested and involved in the sport of archery and our hope is that these savings make it feasible for even more archers to get those practice reps in on a quality archery target that will last,” he added.

Redeeming rebates is simple and painless. After purchasing a qualifying Rinehart Target, customers can simply go to Rinehart3d.com/rebates and download the rebate submission form listed for the target model purchased. Complete the rebate form, mail it along with a copy of your receipt to the provided mailing address and a rebate check will soon be on the way.

Rinehart Targets offers a complete line of life-like and durable practice archery targets for the avid archer. All products are designed with every detail accounted for to mimic the real thing. The company continues to grow and innovate with versatile new targets that appeal to every archer – many of which incorporate the company’s renowned technology like Rinehart’s exclusive solid self-healing foam and patented locking inserts, both designed to further enhance the durability of each target.
