## **RINEHART TARGETS® INTRODUCES INNOVATIVE NEW GAME ROOM HUNT SERIES DARTBOARDS WITH SELF-HEALING FOAM TECHNOLOGY**

### ***Take Your Aim from the Field to the Game Room with New Dartboards Made for Hunters***

Janesville, WI — Rinehart Targets®, the worldwide leader in quality archery targets, is excited to announce the launch of their innovative new line of Game Room Hunt Series Dartboards, designed for outdoor enthusiasts to bring the thrill of the hunt indoors. Utilizing the same self-healing technology that has made Rinehart a trusted name among archery enthusiasts, these new dartboards are guaranteed to deliver countless hours of dart-throwing fun.

Perfect for at-home game rooms or man caves, Rinehart's new dartboards offer a unique way for archers to switch from arrows to darts and continue practicing their aim in the comfort of their own homes. The Whitetail Dartboard, which is the first model in the new series, measures 20x28x4 inches and comes with three darts. The detailed board design showcases a deer with vital target rings similar to a Rinehart Target, with an added traditional dartboard bullseye just below the deer, delivering plenty of target options when throwing.

"We're excited to expand our product line to include dartboards crafted from the same high-quality, self-healing foam our customers experience in our archery targets," said James McGovern, President of Rinehart Targets. "These fun new dartboards are a great way for outdoor enthusiasts bring their skills indoors and enjoy friendly competition year-round."

Of course, the new Whitetail Dartboard is just the beginning and the first in a series of hunter-driven designs. Rinehart Targets plans to release more exciting models including lifelike bear and turkey designs to offer hunters even more options for playing fun. Each board is crafted with the same attention to detail and commitment to quality Rinehart is known for, ensuring a superior dart-playing experience. Whether you're looking to enhance your game room or find the perfect gift for the hunter in your life, Rinehart's new Game Room Hunt Series Dartboards fit the bill perfectly.
