DSG OUTERWEAR BREANNA 2.0 FLEECE CAMO PULLOVER IN REALTREE EDGE®

Made For Women By Women, High-Performance Pullover Combines Function and Comfort for the Ultimate Versatile Piece of Hunting Apparel

Madison, WI – [DSG Outerwear](#), premier makers of the most technical, high-performance and size-inclusive hunting apparel for women, is proud to offer the Breanna 2.0 Fleece Camo Pullover – the versatile piece that provides all the field-proven performance features women hunters need, along with a fit they will love.

Constructed of a quiet, bonded stretch fabric with a soft shearling interior, the Breanna 2.0 is so comfortable and silent, it'll move right along with you as you track your prey. The interior is incredibly soft for extra comfort while the exterior is DWR treated, which means it's waterproof and water repellent, keeping you both dry and warm during inclement weather.

The Breanna 2.0 incorporates a host of additional hunt-friendly, versatile features that hunters will find invaluable including a removable and adjustable hood; a durable quarter-zip making pulling the hoodie on and off a breeze, as well as adjustable cuffs. A spacious two-way kangaroo pocket with hook and loop closure along with a vertical lapel zippered pocket provides easy access storage of lightweight gear. The pullover comes in the popular Realtree Edge® camouflage pattern allowing hunters to blend seamlessly into their environments at both close range and from a distance.

Like the rest of the DSG Outerwear apparel line, the Breanna 2.0 Fleece Camo Pullover is made for women of all sizes and shapes and is offered in a wide variety of sizes from XS-5XL.

Need a good pair of pants to pair with the Breanna 2.0 Pullover? Take a look at its matched counterpart, the Breanna 2.0 Fleece Drop Seat Bib in Realtree Edge®. Made of the same quality and functional materials as the pullover inside and out, the bib pants also incorporate an adjustable snap inseam (from 32.5-inches to 28.5-inches); a drop seat feature allowing for easy access when nature calls; and a large, zippered thigh pocket.

Both the Breanna 2.0 Fleece Camo Pullover and the Breanna 2.0 Drop Seat Bib (sold separately) have an MSRP of \$129.99 each.

About DSG Outerwear

DSG Outerwear was conceived in 2010 by Wendy Gavinski after many years of personal frustration with the limited selection of women's outerwear for active outdoor lifestyles. The goal – create a line of clothing and gear that meets the need for a functional and feminine fit, including plus sizes. The company produces a wide range of clothing options for hunting, fishing, ice fishing and snowmobiling. DSG Outerwear uses the highest quality materials and components built by designers and production specialists with over 40 years of experience in making quality outerwear. The company produces everything from highly functional performance layering pieces to insulated jackets, bibs, pants, footwear and accessories that are perfect for all types of outdoor activities, even in the coldest weather. Women's outerwear designed by women to fit women of all shapes and sizes and built to perform. Learn more at www.DSGOuterwear.com.
