## HAWKE® OPTICS REDEFINES THE ENTRY-LEVEL BINOCULAR IN 2022

### All-New Vantage 8x42 and 10x42 Binoculars Bring Clarity and Quality at Budget-Friendly Cost

Hawke® Optics, the leader in high-quality, high-value precision sporting optics, breaks new barriers once again with the all-new Vantage 8x42 and 10x42 binoculars. These exciting new options bring high-quality optics at an entry-level price point, making them an outstanding choice for anyone looking to bring things clearer, closer and crisper.

The Vantage series is powered by Hawke's System H2 Optics line, which brings extra value to a wide range of binoculars and scopes that are all dependable, accurate and affordable. These new binoculars feature multi-coated optics that are nitrogen-purged and water- and fog proof. The 8x42 binoculars have a field of view of 367 feet at 1,000 yards and weigh just 19.6 ounces. The 10x42 binoculars have a field of view of 304 feet at 1,000 yards and weigh just 19.4 ounces.

These new binoculars are available in 8x42 for \$159 and 10x42 for \$169, both in green. What will impress even more is the clarity these binoculars offer, making them perfect for someone looking for his or her first pair of binoculars, or as a secondary pair to keep in the truck, or boat. These are outstanding binoculars for hunting, birding sporting events and more. You can also rest easy knowing that the new Vantage binoculars are covered by Hawke's No-Fault Lifetime Warranty.
